

**1 and 2 Bottom Plows • Subsoiler • Middle Buster •
6-Foot Field Cultivator • One-Row Cultivator**

Fill your shed with these new Tillage Tools from Frontier including the 1- and 2-Bottom Plows, One-Row Cultivator, 6-Foot Field Cultivator, Subsoiler, and Middle Buster. Whether you're an avid gardener, creating wildlife food plots, or you just raise a small patch of vegetables in your spare time, the Frontier Tillage Tools are designed to help you get the most out of your land.

Use the 1- and 2-Bottom plows to work over grass fields or large gardens. Control weeds in your garden with the One-Row Cultivator. Get soil surface prepped for planting garden rows or plots with the 6-Foot Field Cultivator. Rip hard ground with the Subsoiler. Or operate the Middle Buster to prepare ridges and dig potatoes. There isn't much garden preparation you can't accomplish with the Frontier Tillage Tools.

The Frontier Tillage Tools are sold and supported by John Deere dealers. To help you select the right model of Frontier Tillage Tool, talk to your local John Deere dealer, your exclusive source of Frontier Equipment.

1-BOTTOM PLOW

The Frontier 1-Bottom Plow turns over sod to prepare the ideal garden spot. Single cutting blade effectively cuts through fields and turf. *(This Frontier product is NOT iMatch™ compatible.)*

2-BOTTOM PLOW

Double your productivity with the Frontier 2-Bottom Plow. Using a pair of moldboards you'll cut through twice the ground with each pass, saving time. *(This Frontier product is NOT iMatch™ compatible.)*

1- & 2-Bottom Plows come with replaceable shares, shins and landslides for constant high-level performance throughout the years.

cultivate your land.

ONE-ROW CULTIVATOR

Achieve better weed control between crop rows with the Frontier One-Row Cultivator. Designed for family gardeners and small agricultural operations, the One-Row Cultivator is a high-quality 3-point implement with adjustable row widths to help nurture your crops during the growing season.

SUBSOILER

The Frontier Subsoiler rips hard ground to remove compaction lays and low areas to improve water drainage. With a 1-foot by 6-inch steel shank, the Frontier Subsoiler is adept at breaking up soil, especially if your garden is tilled year after year. Ideal for lower horsepower compact utility tractors.

6-FOOT FIELD CULTIVATOR

For the small acreage farmer, gardener, or landscaper, attach the Frontier 6-Foot Field Cultivator to your small horsepower machines to prepare seedbeds, bury crop residue, manage weeds, and thoroughly mix soil to ensure proper nutrient distribution in crops.

MIDDLE BUSTER

Use the Frontier Middle Buster to create planting beds for produce gardens. Equipped with a 19-inch double-wing cutting blade, the Frontier Middle Buster is perfect for planting vegetables and for digging up potatoes. Hook-up this gardening workhorse to your compact utility tractors with less than 45 HP.
